## *NEW YORK BOTANICAL GARDEN*

*Explore Art & Glass in Nature*

*Friday, September 15, 2017*

Join District IV of the Federated Garden Clubs of NY on a bus trip to the New York Botanical Garden in the Bronx!

Meet the coach in the morning at either the Aviation Mall in Queensbury or the Wilton Mall in Wilton for a comfortable ride down to NYBG.

Upon arrival, enjoy lunch in the gardens on your own. Maps will be provided for exploring the gardens on a self-guided tour. You may walk or take one of the garden trams. The NYBG is featuring the glass-blown sculptures of world-renown artist Dale Chihuly. The landscape and buildings showcase dramatic vistas becoming a living canvas for the artist's signature organic shapes in brilliant colors. Chihuly is unique in the field of blown glass, "moving it into the realm of large-scale sculpture."

On the way home, we will stop at Frank Guidio's Little Italy Restaurant in Kingston for a family style sit down dinner.
